4 DAWNYELL FLYNN,

5 Plaintiff,

6 v.

7 TODD WILLIAMS, *et al.*,

8 Defendants.  
9

Case No. 2:24-cv-00563-APG-BNW

**ORDER**

10 Before the Court is Plaintiff's Objection to the Court's May 21, 2024 Report and  
11 Recommendation. ECF No. 5. The Court recommended that the case be dismissed because  
12 Plaintiff failed to complete her *in forma pauperis* ("IFP") application or pay the filing fee by the  
13 May 1, 2024 deadline. ECF No. 4. The Court interprets Plaintiff's Objection as a motion for  
14 reconsideration.

15 Plaintiff represents that she did not understand that she had to file a complete IFP  
16 application in each of her separate cases. ECF No. 5. She states that because she filed a complete  
17 application in another case in this district, she was under the impression that the application  
18 would suffice for this case as well. *Id.* She also indicates that she has been experiencing issues  
19 with receiving her mail and therefore did not receive the Court's order directing her to complete  
20 her application (ECF No. 3). *Id.*

21 Based on Plaintiff's representations, it is clear to the Court that she did not intend to  
22 abandon her case, as the Court originally believed when it issued its Report and  
23 Recommendation. *See* ECF No. 4. Given Plaintiff's intent to proceed, the Court will vacate its  
24 Report and Recommendation and give Plaintiff an additional 30 days to complete his IFP  
25 application.  
26  
27  
28

**IT IS FURTHER ORDERED** that the Clerk of Court is to send Plaintiff the approved form application to proceed IFP by a prisoner, as well as the accompanying information form and instructions for filing the application.
